

Area Inventory Group Level Support

The Local Service Body Has been Tasked To Assist In An Inventory of MVANA & The ASC.

We are seeking support from groups and members. Where do we start? How do we obtain input? These are the questions being asked of the current Trusted Servants.

Do We

- 1) Create an ad-hoc.
- 2) Ask/Seek members and form a committee.
- 3) Invite individual members.
- 4) Invite other ASC support.
- 5) Turn no Member away.

Who/What/How

- 1) Gathering Info
- 2) Gather Support
- 3) Gather Excitement to Move Forward?.
- 4) Do we request input via our website. It could remain anonymous?

The place to start is responding to this flier. Contact the current MVANA Service Committee.
