Photos, Videos, and Social Media –
 We recognize that it is a common practice for members to take photos and videos at NA events and post them on social networks. We do not believe this to be in conflict with our traditions so long as they are for the enjoyment of members and are not made available to the general public. Please be considerate of our guiding principles and the anonymity of others as you share your photos and videos from this NA event.

Why Pre-Register?

The answer is easy—to save money! Pre-Registration is always cheaper than registering on-site. When we register and buy event tickets in advance, the convention committee is able to better plan to meet everyone’s needs at the convention as well as remain self-supporting. Seventh Tradition: “Being self-supporting is an important part of our new way of life”.
