WHY REGISTER?

Registration is how we pay for the meeting facilities and other expenses it takes to put on a convention of this size. Every table, chair and room we utilize costs us money. Because of the enormity of attendance at our convention and lack of paid registrants, we are no longer able to afford to pay for the space to accommodate all those who would like to attend this event.

Because this gathering is not a regularly scheduled meeting, but rather a special event, we will be requiring a registration badge to attend several functions at this years convention. We will be requiring a registration badge to attend all seated ticketed events. All our Workshops, Marathon meetings and Speaker meetings during the weekend, except the Main Room for the Saturday Night Main Meeting, DO NOT require a registration badge. Your support of this function is greatly appreciated!
